"FCCLA has transformed me by being a member of this great organization. FCCLA has taught me how to speak out and be heard but to value listening to others. Also (not only) FCCLA has shown me teamwork is the key to unlocking the doors of success, but (most importantly) that to be successful you must believe in yourself."

"FCCLA has been such a rewarding, enjoyable experience that I will remember and cherish forever ... it is not only the Ultimate Leadership Experience, but it is also the Ultimate Success and Friendship Maker. I've been so many places and met so many wonderful people (Ambia Cail, Morgan Stevenson, L.J. Bryant, and my favorite, John Soltesz, but the list goes on) in so little time. If it were not for FCCLA, I would truly be bored and would not have had the opportunity to learn so much."

“FCCLA is the Ultimate Leadership Experience. Through this dynamic leadership organization, I have seized many opportunities that have developed my leadership and public speaking skills, presented travel opportunities, and exposed me to many diverse people. What other youth-led organization can present these opportunities to its members?”

“FCCLA, how do you describe this organization? I can in three words: Friendship, leadership, and remarkable. There is absolutely nothing like it. The intensity that you see in all of the leaders makes it so incredible words can hardly describe how much I enjoy being in it. So many great things have come and will come from FCCLA.”
